

Test Report

Test “See All Bots” button:

Steps

1. Navigate to Duel Duo landing page
2. Click on the “See All Bots” button
3. Confirm the all bots are visible

Test Preconditions

- Server.js must be running
- All Bots show not be currently visible

“See All Bots” Bug Reported:

Steps to reproduce

1. Navigate to Duel Duo landing page
2. Click on the “See All Bots” button
3. No change to page

Expected Results

- All of the Bots should be visible

Actual Results

- The See All Bots button has no response and doesn't display anything when click

Environment

- Google Chrome Version 111.0.5563.147 (Official Build) (64-bit)
 - Windows 10
-

Test Win and Loss Counter:

Steps:

1. Navigate to Duel Duo landing page
2. Click "Draw"
3. Add two Bots to Duo
4. Click "Duel!"
5. If a Loss is reported, the Loss counter should be 1 and Win should be 0. Vice Versa for a Win being reported

Test Preconditions

- Website should be running
- Wins should be 0
- Losses should be 0

Second Bug Reported:

Steps to reproduce

1. Click "Draw"
2. Add two Bots to Duo with the most health to result in a win
3. Click "Duel!"
4. A "Win" is reported but the counter still displays 0

Expected Results

- Win should go up 1

Actual Results

- Win stays at 0 and Losses goes up by 1.

Environment

- Google Chrome Version 111.0.5563.147 (Official Build) (64-bit)
- Windows 10
